

## **FOOD INDUSTRY**

### **SUGAR FREE CHOCOLATE LINE • CLIENT: WHOLESOME EDIBLES**

---

Yummy. Oh, our sugar free line of delectable, melt in your mouth, imported Dutch chocolates certainly will earn the title of “yummy.” We guarantee that the second your taste buds collide with our chocolate that a lifetime relationship of love will begin! We take ‘taste’ pretty seriously for after all we’re in the good taste business. Beyond the mouth watering taste however, our chocolates have a pedigree that far exceeds all the run of the mill chocolates in the marketplace. Our Wholesome Edibles chocolates are naturally sugar free—no chemical sugar substitutes with names you can’t pronounce and NO idea what they do to your body. We use quality organic ingredients, so only the best that nature has to offer goes into our chocolates—wholesome, natural, delicious, and from the bounty of the earth, not a science lab. Additionally, we infuse our chocolates with tea antioxidants for good health! Antioxidants are present in chocolate naturally, and getting good antioxidants in your body has been proven to reduce the risk of blood clots, strokes, and heart attacks! There’s really no down side to beginning a love affair with our imported, sugar free Dutch chocolates for we are master artisans of delicious edibles. Rembrandt and Van Gogh, celebrated masters of fine art—both Dutch. Wholesome Edibles—it’s divine Dutch chocolate that’s good for your body’s health. Need we say more? Yummy.
